What is Fun Company?

YMCA Fun Company's before- and after-school program is a safe place where children:

- ▼ Discover the joy of learning
- ▼ Pursue their creative passions
- ▼ Develop the strong character values, life skills and decision-making abilities needed to achieve their fullest God-given potential in spirit, mind and body at the YMCA Fun Co.?

What will your child do at Fun Company?

Each YMCA Fun Company school site is designed to provide a welcoming atmosphere where learning feels like play and each child's creativity and imagination is set free. It accomplishes this through:

- ▼ Choice-based program: A minimum of three activity choices are offered to children during all program hours, including several creative activities
- ▼ Help with school: Fun Company's theme-based curriculum projects complement and reinforce a child's regular schoolwork; tutoring, homework help and other academic assistance is also offered
- ▼ Quiet time: Regularly scheduled quiet time helps children develop the all-important love of reading
- ▼ Encouraging play: Children are provided with regular time outside to be physically active, spend free time with friends and enjoy staff-led games and activities
